DEAR PROSPECTIVE EXHIBITOR

The 6th **eChemExpo Solutions Marketplace** returns to Kingsport Tennessee May 20, 2010. Home to the chemical industry's largest single chemical processing complex and other process industry buyers. The theme of this one-day exposition and 4th **Technology Innovations Conference** is "Operating in a Cost Constrained Environment while Building for the Future." Exhibitors are challenged to demonstrate breakthrough developments which improve: Energy Efficiency, Capital Intensity, Capability Enhancement, and/or Sustainable Processes.

Developed with **EASTMAN** and other process firms, the **eChemExpo Solutions Marketplace** has delivered chemical equipment buyers from throughout the region and from abroad. In May 2008, the marketplace drew some 900 participants including 500 from Eastman plus other companies and the exhibitors.

HIGHLIGHTS FOR 2010

- ★ Booth space pricing remains the same as in 2006 and 2008. No increase.
- ★ Continued focus on regional expansion of attendees, including Oak Ridge
- ★ Customized electronic guest passes available to ALL exhibitors for complimentary admission of your customers and prospects.
- ★ **4th Technology Innovations Conference: Submit your 100 word proposed abstract by February 12.** If accepted, submit a more detailed 1 page outline by March 4. Publicity begins March 15.
